USAID Mission in BiH
Attn: Director, Mr. Allan Reed

Dear Mr. Reed,

The Secretariat of the Parliamentary Assembly of Bosnia and Herzegovina for several years has a very successful cooperation with the USAID Mission in BiH. That cooperation continues, but what really deserves all the attention of USAID, and especially yours, is that the USAID Mission in Bosnia through the Parliament Strengthening Project has recognized the specificity of a newly elected deputies to the House of Representatives of the Parliamentary Assembly of BiH. Namely, it is about Mr. Adnan Bašić who is totally blind, and it was necessary as soon as possible to obtain the necessary equipment so Mr. Bašić could smoothly participate in the work of the House of Representatives.

We would like to especially thank you for your understanding and provision of funds for the procurement of necessary equipment for Mr. Bašić; certainly, the Parliamentary Assembly has in the best possible way demonstrated consistency in implementing the UN Convention on the Rights of Persons with Disabilities, which Bosnia and Herzegovina ratified in 2010.

In addition, we want you to thank for your continued support in the implementation of the IT Strategy development in collaboration with the USAID Parliamentary Strengthening Project. This cooperation is particularly reflected in its support for the implementation of the IT Strategy through the DMS project supported by EU funding, training and equipping of the Training Centre which is operational at full capacity through IT training, and courses of German and English, which is also supported by the USAID Parliamentary Strengthening Project.

Finally, we would like to invite you to visit the Parliamentary Assembly of BiH to inform you about everything that was done so far and about what we intend to do in the future.

Sincerely,
SECRETARY OF COMMON SERVICES
